

Guidelines for Engaging in Play (Incentivizing Communication)

- 1** Follow the child's lead.
 - Do what the child is doing.
 - Play with toys that the child wants to play with.
 - Refrain from giving demands (e.g., “Throw the ball to me”; “What color is this?”)

- 2** Entice the child with another toy in the set within about 15 seconds if they lose interest or walks away.
